Materials

Eyes:

two black 8mm safety eyes

Yarns:

- Brown: head, body, ears, arms and legs
- White: nose and belly
- Yellow: ears and legs
- Black: nose and mouth

Yarn weight is not important, but please choose the hook accordingly. I used Catona cotton from Scheepjes (which is 25 gram - 62.5 m) with a 2.5 mm hook. The end product is around 8.5*4.5 cm.

For stuffing:

- You can use polyfill or any other type of filling you like.
